

New resources to provide access to drinking water in the Kern Subbasin

Kern Subbasin Mitigation Program

MITIGATION TRACK

The Kern Subbasin has partnered with Self-Help Enterprises to administer emergency, interim, and long-term solutions for households whose domestic wells have been impacted by groundwater management activities after January 1, 2015.

For more information, you can find the Mitigation Program at:

www.KernGSP.com

HAVE YOU LOST ACCESS TO DRINKING WATER?

If you have experienced a loss of drinking water, please contact Self-Help Enterprises at (559) 802-1685. Self-Help Enterprises is available to assist with accessing emergency drinking water and interim drinking water supplies.

For applications regarding drinking water wells (including agricultural wells used for drinking water purposes), please fill out the online intake form on Self-Help Enterprises' website or call Self-Help Enterprises directly:

<https://www.selfhelpenterprises.org/programs/emergency-services/water-sustainability/>

Who can apply for mitigation?

Domestic (Household) Well Owners

Multi-Purpose* Domestic Well Owners

**Wells used for household drinking water and other purposes*
